

The teachers' evaluation of the teaching materials

A) Title of the teaching material:

1. Number of minutes/hours spent on the activity in class:

2. How far do you agree with the following statements? 1: very little, 5: very much	1	2	3	4	5
The material was at an appropriate level for my pupils.					
The topic was interesting for my pupils.					
The activity was interesting for my pupils.					
The proposed objectives of the activity were reached.					
The material was easy to use.					
The material facilitated the pupils' involvement in the activities.					
The materials enable the setting up of activities in other subjects (promote interdisciplinary dimension).					

3. Did you follow the exact procedure as proposed in the guidelines? If not, what changes did you make? Why?

4. What worked well for you?

5. What worked well for your pupils?

6. Did you have any difficulties? If so, give examples.

7. Did your pupils have any difficulties? If so, give examples.

8. Is there anything in the materials you think should be taken out, added or modified? If so, make your suggestions below.

B) Title of the teaching material:

1. Number of minutes/hours spent on the activity in class:

2. How far do you agree with the following statements? 1: very little, 5: very much	1	2	3	4	5
The material was at an appropriate level for my pupils.					
The topic was interesting for my pupils.					
The activity was interesting for my pupils.
